# Happy New Year

Welcome back. After an extremely busy Autumn Term, we start the new year with renewed energy and motivation to support the children at Thomas's Academy to thrive at school. It has been lovely catching up with the staff, children and families over the past few days.

We specifically welcome our new families and staff to Thomas's Academy. You may have already met our new office and admissions administrator, Emma Faye, who is working at the front desk. We also have a new Year 5 teacher, Olufunmilayo Dairo, and a new support staff member in Year 1, Ali Hopkinson.

Staff spent the INSET day on 7th January working on school behaviour processes and working in teams on pupil progress. They have been busy planning for the weeks ahead, the termly bulletins detailing all this will be shared with families shortly.

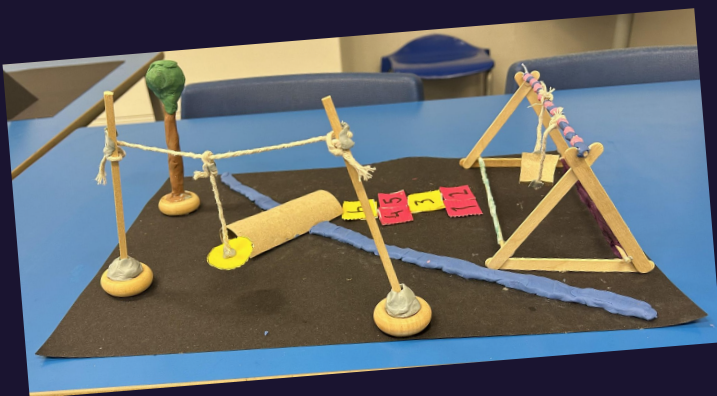

I am thrilled by the announcement that primary school pupils in London will receive free lunches for another year. In addition, children are offered bagels and fruit in the mornings. Please may we ask that snacks brought for clubs remain healthy and nut-free.

A reminder please that children should be wearing school shoes on days where there is no dance/P.E. Many children have returned to school this year wearing trainers with their uniform. Please could you rectify this at your earliest convenience if this is you. If you are struggling financially with this, please speak to a staff member so we can try to assist in some way.

During the last week of half term, children participated in Design Technology projects. This subject is led by Ms Mather, our Year 3 teacher. We thank her for all her work to enable these activities to happen. The children had a wonderful time and produced some amazing results.

Please take the time to read carefully through this newsletter so not to miss out on any information that might impact your child.

Miss Kelly

# Changes in class dismissal

Happy New Year! I hope you were able to have a happy, yet relaxing break. It was lovely to welcome the children back this week and I am sure you are happy to get them back into the school routine, ready for another exciting term ahead.

I wanted to alert you to a number of changes that we are implementing at dismissal this month to ensure the safety of our children.

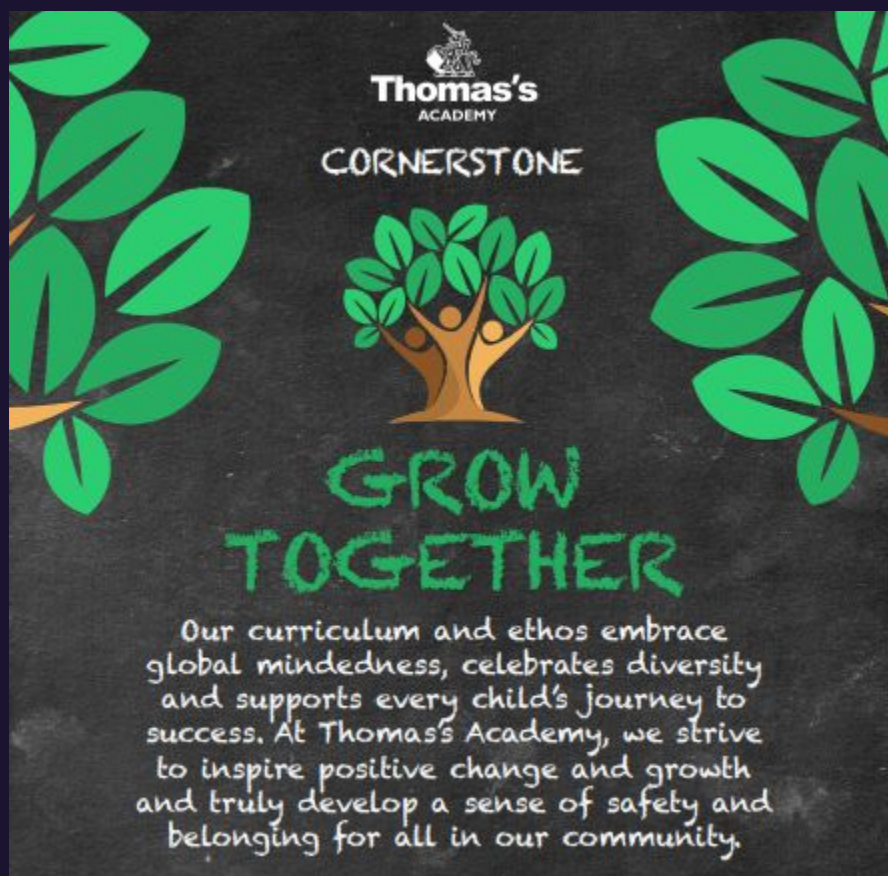

1. Please can I ask that you keep your children with you at all times and monitor their whereabouts once they are in your care and please be extra vigilant at this time both in the school grounds and when you are crossing nearby roads.
2. Children attending *Shine Bright Club* will now be collected from their classrooms by Miss Sofia, instead of entering the playground at the end of the day. She will then take the children straight to the *Shine Bright Room*.
3. Children attending *after school clubs* will not enter the playground at dismissal but will instead be taken to the *Sunshine Room* where a member of our staff will supervise them until the club leader arrives to take them to their club room.
4. At 3.30pm, you will notice that *Years 2-6 will line up in the front playground*, with their teacher at the front of the line. Children will put up their hand when they see a parent/carer and then safe dismissal can proceed. Staff will politely decline speaking with parents until safe dismissal is complete.
5. Parents/Carers will need to wait near their child's line. Children will not be permitted to walk the distance of the playground alone. Parents/Carers will need to position themselves close to their children's lines. In the case of siblings in different year groups, please collect one child at a time.
6. **Please contact the school office if there is a change in dismissal arrangements** for your child(ren). If you are going to be late, if another adult is picking up your child or if you don't require your child to attend a club and you will be collecting them at normal time, school must know these changes to safeguard your child.

Dismissal for Nursery- Y1 remain the same as last term.

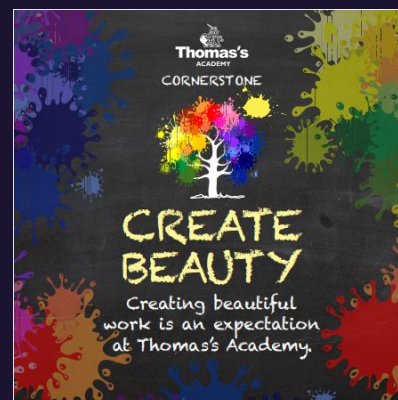

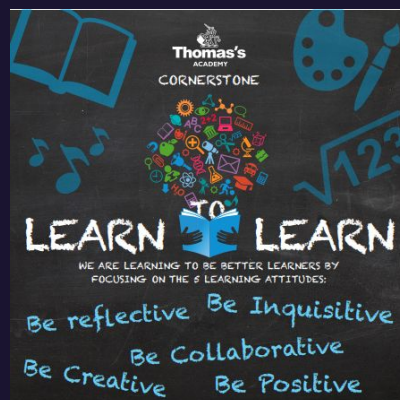

With kindest regards,  
Clare James  
Deputy Head teacher

# New Cornerstone

We are delighted to share our new Cornerstone with you: Grow Together. This replaces the 'Think Globally' cornerstone which required updating given our curriculum changes. Thank you to all who contributed their ideas to ensure the new cornerstone represents our community school effectively. The children have been introduced to this in an assembly and new posters have been placed around the school.

# December's Attendance

Reception to Year 6 average attendance was a very low 85.4% in December, a 7.73% drop from November. Sadly, this figure is due to holidays taken before the end of term, more than seasonal illness.

Please check the [website](#) for our term dates to ensure that you can plan family holidays without interrupting your child's education.

## MOMENTS MATTER, ATTENDANCE COUNTS

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Average attendance
81.2%	86.6%	82.6%	90%	91.3%	80.6%	85.6%	85.4%

*Class attendance for the month of December 2023. Nursery is not statutory, therefore data is not included here.*

Please note that we are obliged to contact the Local Authority if a pupil has unauthorised absences that equate to more than 10% within a six-week period. This route will result in a Penalty Notice (PN) being issued or a referral to Family Services.

If there is a reason for your child to be absent, for example sickness or medical appointments, please email [absent@academy.thomas-s.co.uk](mailto:absent@academy.thomas-s.co.uk). For absence requests, a form can be collected from the school office for Miss Kelly to consider.

**Punctuality is also incredibly important.** The classrooms open at 8.45am at which point children can enter and engage with learning activities - these tend to be maths revision and challenges to support children's retention of maths learning. The register is taken at 8.55am after which point children are marked late. School doors close at this time and children will only be able to enter via the front office.

**Children should be collected promptly at the end of their school day. Any parent collecting after being 10 minutes late, their child may be sent to Shine Bright Club and parents/carers may be charged a minimum fee of £10.**

# Government campaign to improve attendance

Improving school attendance is everyone's business and, to tackle the challenge we face, we need to work together. From 8 January, Government is launching a national campaign to remind parents and carers of the importance of school attendance.

The campaign strapline is "moments matter, attendance counts". Messaging for the communications have been developed from research into parental attitudes, as well as two local authority pilots at the end of 2023.

"THIS MORNING, HE WAS WORRIED ABOUT SCHOOL... BUT LOOK AT HIM NOW!"

MOMENTS MATTER, ATTENDANCE COUNTS.

## Attendance: the top facts to know & share

MOMENTS MATTER, ATTENDANCE COUNTS.

### The link between attendance and attainment is clear:

- In 2018/19, just **40%** of persistently absent (PA) children in KS2 achieved expected KS2 standards, compared with 84% of pupils who were regular attenders.
- And **36%** of PA children in KS4 got 9 to 4 in their English and maths GCSEs, also compared with 84% of regular attenders.<sup>1</sup>

### And it's never too late to benefit from good attendance:

- **More than half (54%)** of pupils who were PA in Year 10 and then rarely absent in Year 11, passed at least 5 GCSEs, compared to 36% of pupils who were persistently absent in both years.<sup>2</sup>

### But attendance is important for more than just attainment:

- Regular school attendance can facilitate **positive peer relationships**, which is a **protective factor for mental health and wellbeing**.<sup>3</sup>

# Behaviour

Above are just some of the ways children are rewarded for good behaviour at Thomas's Academy. We would like to share again, the ways in which we respond to unacceptable behaviour.

For minor incidents, children will receive:

- First Reminder
- Second Reminder
- Internal Reflection (5/10 minutes) - this will involve a behaviour note being sent home.

Behaviour Note

Child's name: \_\_\_\_\_

Date: \_\_\_\_\_

Unacceptable behaviour: \_\_\_\_\_

Teacher: \_\_\_\_\_

After their reflection, children will be able to join their class with the learning. If children receive three behaviour notes in one half-term, parents will be invited in for a meeting to discuss the behaviour and how we might work together to change the pattern of behaviour.

For more serious incidents, senior leaders will speak to the child involved. It is likely that parents will be contacted by Mrs James or Miss Kelly and will be invited to a meeting. The child will be given external reflection time (time out of the class).

Some children will have a personal positive behaviour plan (PBP) tailored to their needs. Parents will be invited to contribute to this.

# Clubs - Spring Term

We're delighted to be able to send the clubs details for this term, we've worked hard to build up the clubs on offer to parents whilst keeping the much loved clubs still going.

## Instrumental Tuition

Instrumental Lessons started up this week with all pupils continuing from the previous term.

We have a range of excellent music tutors, Daniela (Violin) and George (Drumming, Guitar and Bass), Alessia (Piano) who provide 30 minute lessons to pupils on Tuesdays, Thursdays and Fridays.

### **George Diaper** Music Tutor @ Thomas's Academy

George is a multi-instrumentalist, music producer, and music tutor with more than 10 years of experience. He also holds a degree in music performance and completed his Masters in Music in 2020

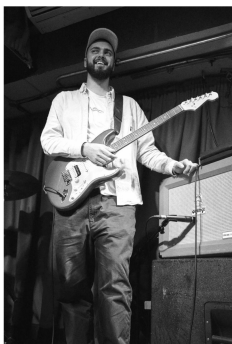

When he first starting playing at school, George loved Punk, Ska, and Rock music. Now he plays everything from Funk, to Jazz, to Soul, RnB, Rock, Latin music and beyond.

George also produces music for up and coming artists, as well as his own music. Mostly producing modern RnB/Soul, George likes to incorporate his guitar, bass, trumpet, keyboard, and drum skills in his productions. He also loves synthesisers and makes electronic music too!

Whether you've never picked up an instrument before, want to try something new, or are already a budding musical prodigy, George is looking to meet new students to take on guitar, bass, or drum lessons at Thomas's Academy. Students have the opportunity to perform at the school, work towards grade exams, or simply have fun learning a new skill.

## SchoolMoney Unpaid Balances

The school has been focusing on outstanding balances on School money, reminders were sent out at the end of last term however there are still a number of families with outstanding balances for Clubs/Shine Bright/Breakfast Club and lunch money from previous year(s).

Please can all families check their School Money accounts and ensure that any outstanding balances are cleared as soon as possible.

In order to ensure families do not fall into arrears, parents will not be able to book onto clubs/wraparound care if there are any outstanding balances for these.

## We Music for Kids

I'm reaching out to share the great news that I have crafted a new music after-school club for the children of our Fulham community. It's called "We Music for Kids," children's string orchestra, located at Christ Church Fulham

Being a trusted teacher within our school and community, I've seen firsthand the positive impact of music education on our children. Now, I'm excited to extend this experience to our community.

I would greatly appreciate your support in spreading the word about this after-school club by sharing the attached invitation with parents. I genuinely believe "We Music for Kids" will bring immense value and enrichment to our community.

Please contact me for further information.

# Safeguarding

Miss Kelly, Head Teacher, is our Designated Safeguarding Lead (DSL). Deputies (DDSL) are Mrs James, Miss Wood, Ms O’Riordan and Miss Shen.

To find out more about our approach to Safeguarding, you can read the Safeguarding policy, plus others, on our website:

<https://www.academy.thomas-s.co.uk/policies-outcomes/school-policies>

We have a new Safeguarding email address should you wish to contact the Safeguarding Team at school. It’s [tacsafeguarding@academy.thomas-s.co.uk](mailto:tacsafeguarding@academy.thomas-s.co.uk).

At Thomas’s Academy, Safeguarding is our top priority. Please let one of the safeguarding leads know if you have any safeguarding concerns. Confidentiality is important so we encourage speaking to these adults directly or to Children’s Services directly.

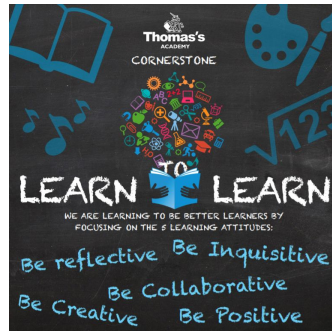

## Contacts and Collection

Please let the office know on [info@academy.thomas-s.co.uk](mailto:info@academy.thomas-s.co.uk) if you change any personal details such as your email address or phone number in order that you receive all our communications. **We require at least two contacts for all children.** Also, please let us know if someone different is collecting your child or after school arrangements have changed. These are important measures to keep your children safe. For your information, only children in Year 6 are permitted to leave school at 3.30pm unaccompanied.

# Learn to Learn

Our focus for this half term is **BE CREATIVE**.

In a rapidly evolving world, it is necessary for the children to learn to be flexible, able to adapt to changing circumstances and capable of thinking of imaginative solutions to problems using all the resources available to them.

## Be a Creative Chameleon

A creative learner will ask:

Is there a different way to do this?

How could I make this unique?

What resources could I use to help me?

# Digital Learning

We are immensely proud to call ourselves a digital school and through our digital literacy topics in computing and during Character Curriculum lessons, we continue to teach the children of Thomas's Academy to stay safe online.

## A book by one of our talented parents

Billy is having a lovely day on the beach with his mum when he is faced with the challenging task of saving the rainbow.

Billy is shocked to learn that if rainbows don't exist anymore then baddies can take over Earth. Something unexpected happens to Billy and he is very scared, but he uses his bravery, courage, and creativity to think of new ways to save the rainbow.

How will Billy save the rainbow? And will he save it in time, before the baddies take over the world?
